Defendant.

---

**COMPLAINT**

Plaintiff, DENISE PAYNE, individually and on behalf of all other similarly situated mobility-impaired individuals (hereinafter “Plaintiff”), sues WOODFIELD REGENCY, INC., (hereinafter “Defendant”), and as grounds alleges:

**JURISDICTION, PARTIES, AND VENUE**

1. This is an action for injunctive relief, attorneys' fees, litigation expenses, and costs pursuant to 42 U.S.C. § 12181, *et seq.*, (the “Americans with Disabilities Act” or “ADA”).
2. The Court has original jurisdiction over Plaintiff’s claims arising under 42 U.S.C. § 12181, *et seq.* pursuant to 28 U.S.C. §§ 1331, 1343 and 42 U.S.C. § 12117(a).
3. Plaintiff, DENISE PAYNE, is an individual over eighteen years of age, residing in Florida, and is otherwise *sui juris*.
4. At all times material, Defendant, WOODFIELD REGENCY, INC., owned and operated the commercial buildings located at 3003 West Yamato Road, Boca Raton, Florida, 33434, (hereinafter the “Commercial Property”) and conducted a substantial amount of business in that place of public accommodation in Palm Beach County, Florida.

5. At all times material, Defendant, WOODFIELD REGENCY, INC., was and is a Foreign Profit Corporation to do business in the State of Florida, with its principal place of business in Dallas, Texas.

6. Venue is properly located in the Southern District of Florida because Defendant's Commercial Property is located in Palm Beach County, Florida, Defendant regularly conducts business within Palm Beach County, Florida, and because a substantial part(s) of the events or omissions giving rise to these claims occurred in Boca Raton, Florida.

### FACTUAL ALLEGATIONS

7. Although over thirty (30) years have passed since the effective date of Title III of the ADA, Defendant has yet to make its facilities accessible to individuals with disabilities.

8. Congress provided commercial businesses one and a half years to implement the Act. The effective date was January 26, 1992. In spite of this abundant lead-time and the extensive publicity the ADA has received since 1990, Defendant continues to discriminate against people who are disabled in ways that block them from access and use of Defendant's business and property.

9. The ADA prohibits discrimination on the basis of disability in 28 CFR 36.201 and requires landlords and tenants to be liable for compliance.

10. Plaintiff, DENISE PAYNE, is an individual with disabilities as defined by and pursuant to the ADA. Plaintiff uses a wheelchair to ambulate. Plaintiff also has very limited use of her hands and cannot operate any mechanisms which require tight grasping or twisting of the wrist. She is limited in her major life activities by such, including but not limited to walking, standing, grabbing, grasping and/or pinching.

11. Ms. Payne is a staunch advocate of the ADA. Since becoming aware of her

rights, and their repeated infringement, she has dedicated her life to this cause so that she, and others like her, may have full and equal enjoyment of public accommodations without the fear of discrimination and repeated exposure to architectural barriers in violation of the ADA.

12. She is often frustrated and disheartened by the repetitiveness of the complaints she is forced to make to employees and management at different places of public accommodation over thirty (30) years after the legislation of the ADA, to no avail. Ms. Payne is accordingly of the belief that the only way to affect change is through the mechanisms provided under the ADA.

13. Defendant, WOODFIELD REGENCY, INC., owns, operates, and oversees the Commercial Property, its general parking lot/or and parking spots specific to the business therein, located in Palm Beach County, Florida, that is the subject of this Action.

14. The subject Commercial Property is open to the public. The individual Plaintiff visits the Commercial Property and businesses located within the commercial property, to include a visit to the Commercial Property and business located within the Commercial Property on or about August 18, 2024, and encountered multiple violations of the ADA that directly affected her ability to use and enjoy the Commercial Property. She often visits the Commercial Property in order to avail herself of the goods and services offered there, and because it is approximately twenty-three (23) miles from her residence and is near other businesses and restaurants she frequents as a patron. She plans to return to the Commercial Property within two (2) months of the filing of this Complaint, in order to avail herself of the goods and services offered at the place of public accommodation and check if it has been remediated of the ADA violations she encountered.

15. The Plaintiff found the Commercial Property and the businesses named herein located within the Commercial Property to be rife with ADA violations. The Plaintiff encountered

architectural barriers at the Commercial Property, and businesses named herein located within the Commercial Property, and wishes to continue her patronage and use of each of the premises.

16. The Plaintiff has encountered architectural barriers that are in violation of the ADA at the subject Commercial Property and businesses located within the Commercial Property. The barriers to access at the Commercial Property, and businesses within, have each denied or diminished Plaintiff's ability to visit the Commercial Property and have endangered her safety in violation of the ADA. The barriers to access, which are set forth below, have likewise posed a risk of injury(ies), embarrassment, and discomfort to Plaintiff, DENISE PAYNE, and others similarly situated.

17. Defendant, WOODFIELD REGENCY, INC., owns and/or operates a place of public accommodation as defined by the ADA and the regulations implementing the ADA, 28 CFR 36.201 (a) and 36.104. Defendant, WOODFIELD REGENCY, INC., is responsible for complying with the obligations of the ADA. The place of public accommodation where Defendant, WOODFIELD REGENCY, INC., own and/or operate the Commercial Property is located at 3003 West Yamato Road, Boca Raton, Florida, 33434.

18. Defendant, WOODFIELD REGENCY, INC., as landlord of the commercial property is liable for all the violations listed in this Complaint.

19. Plaintiff, DENISE PAYNE, has a realistic, credible, existing, and continuing threat of discrimination from the Defendant's non-compliance with the ADA with respect to the described Commercial Property, and businesses named herein located within the Commercial Property. Plaintiff has reasonable grounds to believe that she will continue to be subjected to discrimination at the Commercial Property, and businesses named herein located within the Commercial Property, in violation of the ADA. Plaintiff desires to visit the Commercial Property

and businesses located therein, not only to avail herself of the goods and services available at the Commercial Property, but to assure herself that the Commercial Property is in compliance with the ADA, so that she and others similarly situated will have full and equal enjoyment of the Commercial Property, without fear of discrimination.

20. Defendant has discriminated against the individual Plaintiff by denying her access to, and full and equal enjoyment of, the goods, services, facilities, privileges, advantages and/or accommodations of the Commercial Property and businesses located therein, as prohibited by 42 U.S.C. § 12182 et seq.

**RELIEF SOUGHT AND THE BASIS**

23. Plaintiff requests an inspection of the Defendant's place of public accommodation in order to photograph and measure all of the discriminatory acts violating the ADA and barriers to access in conjunction with Rule 34 and timely notice. Plaintiff requests to be allowed to be physically present at such inspection in conjunction with Rule 34 and timely notice. Plaintiff requests the inspection in order to participate in crafting a remediation plan to address Plaintiff's request for injunctive relief. The remediations for the ADA violations listed herein are readily achievable.

24. The individual Plaintiff, and all other individuals similarly situated, have been denied access to, and have been denied full and equal enjoyment of the goods, services, facilities privileges, benefits, programs, and activities offered by the Defendant, Defendant's building, the businesses, and facilities therein; and has otherwise been discriminated against and damaged by the Defendant because of the Defendant's ADA violations as set forth above. The individual Plaintiff, and all others similarly situated, will continue to suffer such discrimination, injury and damage without the immediate relief provided by the ADA, as requested herein. Plaintiff requests the inspection in order to participate in crafting a remediation plan to address Plaintiff's request for injunctive relief.

25. Defendant has discriminated against the individual Plaintiff by denying her access to full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of its place of public accommodation or commercial facility, in violation of 42 U.S.C. § 12181 et seq. and 28 CFR 36.302 et seq. Furthermore, Defendant continues to discriminate against Plaintiff, and all those similarly situated, by failing to make reasonable modifications in policies, practices or procedures, when such modifications are necessary to afford

all offered goods, services, facilities, privileges, advantages or accommodations to individuals with disabilities; and by failing to take such efforts that may be necessary to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently than other individuals because of the absence of auxiliary aids and services.

26. Plaintiff is without adequate remedy at law, will suffer irreparable harm, and has a clear legal right to the relief sought. Further, injunctive relief will serve the public interest and all those similarly situated to Plaintiff. Plaintiff has retained the undersigned counsel and is entitled to recover attorneys' fees, costs, and litigation expenses from Defendant pursuant to 42 U.S.C. § 12205 and 28 CFR 36.505.

27. Defendant is required to remove the existing architectural barriers to the physically disabled when such removal is readily achievable for its place of public accommodation. The Plaintiff and all others similarly situated, will continue to suffer such discrimination, injury and damage without the immediate relief provided by the ADA as requested herein.

28. Notice to defendant is not required as a result of the Defendant's failure to cure the violations by January 26, 1992 (or January 26, 1993, if a Defendant has 10 or fewer employees and gross receipts of \$500,000 or less). All other conditions precedent have been met by Plaintiff or waived by the Defendant.

29. Pursuant to 42 U.S.C. § 12188, this Court is provided with authority to grant Plaintiff's injunctive relief, including an order to alter the Commercial Property, and the businesses named herein located within the commercial property, located at and/or within the commercial property located at 3003 West Yamato Road, Boca Raton, Florida, 33434, the exterior areas, and the common exterior areas of the Commercial Property, to make those facilities readily accessible and useable to the Plaintiff and all other mobility-impaired persons; or by closing the

facility until such time as the Defendant cures the violations of the ADA.

WHEREFORE, the Plaintiff, DENISE PAYNE, respectfully requests that this Honorable Court issue (i) injunctive relief against Defendant including an order to make all readily achievable alterations to the facilities; or to make such facilities readily accessible to and usable by individuals with disabilities to the extent required by the ADA; and to require Defendant to make reasonable modifications in policies, practices or procedures, when such modifications are necessary to afford all offered goods, services, facilities, privileges, advantages or accommodations to individuals with disabilities; (ii) an award of attorneys' fees, costs and litigation expenses pursuant to 42 U.S.C. § 12205; and (iii) such other relief as the Court deems just and proper, and/or is allowable under Title III of the Americans with Disabilities Act.
